Tip for using the Date Chart: count from your start date to the end of the line, add 25 for every whole line between that and the finish date line, and then count the dates from the left side to your finish date.
"30 days hath September, April, June and November...all the rest have 31, except for February alone...."
3M Due Dates: Quarterly assessments are due every three months on every enrolled client. The window for completing the 3 M is 15 days before the 3 M anniversary and 30 days after.

| Partnership Date Month | Quarterly Assessments Due Every ... |
| :--- | :--- |
| January | April, July, October, January |
| February | May, August, November, February |
| March | June, September, December, March |
| April | July, October, January, April |
| May | August, November, February, May |
| June | September, December, March, June |
| July | October, January, April, July |
| August | November, February, May, August |
| September | December, March, June, September |
| October | January, April, July, October |
| November | February, May, August, November |
| December | March, June, September, December |

Note: to calculate BMI for a Child/TAY (2-20) please go online at http://apps.nccd.cdc.gov/dnpabmi/Calculator.aspx

| BMI | Height (Feet \& Inches) |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
